

Assistance for quality certification

Industries Commissionerate, Government of Gujarat

MSME
BHARAT MANCH

§ Scheme Summary/key features:

The scheme is to extend support to MSME to get quality certification to introduce quality product in competitive market. The manufacturing sector will be eligible for following assistance.

Eligibility: MSMEs

Applicable State: Gujarat

Amount or Percentage of Subsidy:

ERP Assistance: 75% of capital cost for installing Enterprise Resource Planning (ERP) System subject to a maximum amount of Rs. 1 lakh. Capital cost in ERP system includes installation charges, software and annual service cost. The capital cost does not include the hardware part of the ERP system. In case of Software as a Service (SaaS) based deployment option of ERP system the annual service charges will be considered.

Quality Certification: The policy will provide fiscal support up to 60% of fee payable to national/international certification (BIS/ISI/WHO/GMP/Hallmark etc., and other national and international certification) and 60% cost of testing equipment and machinery required for that certification, totalling up to maximum amount of INR 10 lakhs. The cost of certificate will include fees charged by certification agency (excluding travel, hotel and surveillance charges) cost of testing equipment /machinery as required for certifications, Calibration charges of equipment. The testing equipment purchased after issuance of Quality Certificate will not be eligible for assistance. The enterprise will have to apply within one year from the date of assistance.
